Message from the Editor

Contrary to rumours circulating in the town, I have not stepped down as the Editor.

The Out 'n About in Winterton magazine is a non-political publication, and articles are accepted in good faith. The views contained within submitted articles are the opinion of the provider and in no way represents the feelings of any of the OAAIW editorial team.

The role of a community magazine is to report the events and activities happening within a community - good and bad. It's not just about coffee mornings!

As well as producing this edition of the magazine (as a volunteer), in addition to my other community commitments (and a full-time job), I've also been busy researching more soldiers stories as well as updating the survivors lists for both world wars.

Over the last year, residents have been putting forward their ideas at various public events, on how the town should say thank you to all those who returned from WW1 and later conflicts. In a bid to involve the young people of this town, at the beginning of February I contacted Winterton Community Academy, Winterton C of E Infants' School as well as Winterton Junior School. As we go to press, I've not even had an acknowledgement of my email from any of the three schools. I am particularly keen to hear from the younger generation and I will be contacting the various youth organisations in the town in the near future.

As you will see from this issue of the magazine,

there are various events taking place in Winterton this summer, but many of these wouldn't happen without the help of volunteers. Could you spare the time and help improve your community?

Winterton Improvement Network is always on the look out for more volunteers to help with delivering the Out 'n About magazine, which incidentally takes considerably a lot less time compared with compiling an issue.

Estelle Mumby

Churchyard Closed

until further notice.

DANGER: masonry is falling from the church tower walls.

The church council is very sorry for the great inconvenience caused to many people. It has taken advice before closing the churchyard.

Applications are already underway to secure grants for repairs to the tower.

Information about when the churchyard is likely to re-open will be issued in due course. In the meantime if you need further detail please contact either:

REMEMBERING THE 'FORGOTTEN' SOLDIERS

Below are three more stories of WW1 Winterton soldiers whose names have been approved by Winterton Town Council, for addition to the war memorial. Sadly, more will appear in forthcoming issues.

306776 Private **William Rusling**
Reinforcement Depot, Tank Corps

Born in 1889, Ascot, Berkshire, William was the son of William and Kate RUSLING. In 1891 the family lived in High Street, Scunthorpe and by 1901, the family had moved to King Street, Winterton. In 1911 William was residing at 40 Berkeley Street, Crosby.

William's service record hasn't survived but he enlisted in Scunthorpe and was formerly in the Royal Engineers (No. 105702). He died of wounds on 1st April 1918, aged 28 and is buried in Doullens Communal Cemetery Extension No.1, Somme, France. William was posthumously awarded the British War Medal and the Victory Medal. The Hull Daily Mail (10th April 1918) states that William was for several seasons a popular and enthusiastic member of Scunthorpe United Football Club.

203014 Private **Stephen Alfred Bigley**
7th Battalion, Suffolk Regiment

Born about 1886 in Woodstone, Huntingdonshire. The 1891, 1901 and 1911 census shows Stephen living at 87 Palmerstone Road, Woodstone. He married Beatrice Eva ROSE in 1913 in the Peterborough Registration district and son Russell William was born there the following year.

Stephen's service record hasn't survived but he enlisted in Peterborough and was killed in action on 9th August 1917 at Monchy-le-Preux, Pas-de-Calais, France, aged 32. He is commemorated the Arras Memorial. Stephen was posthumously awarded the British War Medal and the Victory Medal.

Beatrice and Russell moved to 28 High Street, Winterton months before the war memorial was unveiled in December 1920. Russell died in 1931 and was buried aged 16 in Winterton Cemetery. His father's name is commemorated on his headstone, and Beatrice continued to live in Winterton for many years eventually moving to 39 West Street (now demolished).

9928 Private **Frank Brown**
6th Battalion, Lincolnshire Regiment

Frank was born on 18th February 1893, Churchside, Winterton, and was the son of Frederick & Selina BROWN. In 1901 Frank and his parents were living in West End, Winterringham, and by 1911 he had moved to Risby near Walkington, Beverley.

Frank's service record hasn't survived but he enlisted in Crosby and at the time was living in West Halton. He entered the Balkans on 18th July 1915 and died of disease on 31st May 1917 aged 24. Frank is buried in Bailleul Communal Cemetery Extension, Nord, France. He was posthumously awarded the 1915 Star, British War Medal and the Victory Medal.

Winterton Remembers

In tribute to those who left the town to serve King and Country - and never returned, Out 'n About is commemorating the centenary of their sacrifice by including their names in the magazine covering the relevant period.

GEORGE HORSLEY
1571, Private, 1/5th Battalion, Lincs Regt. Killed in action 15th July 1915 aged 17. Buried in Railway Dugouts Burial Ground (Transport Farm), West-Vlaanderen, Belgium.

ARTHUR MOSS
13616, Private, 6th Battalion, Lincs Regt. Missing since 8th August 1915 and officially listed as killed in action on the following day. Commemorated on the Helles Memorial, Turkey.

War memorial update

After publishing the story of Private Walter Dixon in the last issue, our Editor was contacted by Walter's family who have kindly supplied the only known photo of Walter. His service record has since come to light.

We have also been contacted by Gainsborough historian, Peter Bradshaw, who forwarded a photo of Private Septimus Hare. His story was featured in the Autumn 2014 issue.

■ The stories which have been published so far can be found on our website www.winoaiw.weebly.com.

Winterton Iron

A poor season on the field for Scunthorpe United, but we survived the threat of relegation. Best wishes to Sam Slocombe. He has done a lot for the Winterton Iron. Waiting now for the new fixtures to come out when planning for away travel next season can begin. We continue to meet fortnightly at the George Hogg pub throughout the close season. For our 'Bit of a Do' in November we will be operating an 'Early Bird' ticket at a reduced rate, more details soon.

Our members are invited to enter the claret and blue hanging basket competition, judging will be in the week following Winterton Show and will be done by Korky.

This year we are raising money for the Lincs/Notts Air Ambulance and we will be doing a few car boots in the summer for this charity, plus we raised over £300 at a St. George's Day quiz at the Butchers Arms. Pete Cleary will be doing another written quiz paper. Last year's was very popular.

A special thank you and best wishes to Paul Clixby for compering our darts match against the London Scunthorpe United Supporters Club at the George Hogg, they were very impressed by the hospitality.

Fundraiser

Newton Printing Services organised a fundraiser on Good Friday at Winterton Rangers and raised £650 each for Macmillan Cancer Support and Teenage Cancer Trust. They would like to thank people who supported the event and all those who donated prizes.

Modern Ideas - Traditional Values

Time to spare?

Could you spare a little time each week to help someone who has problems?

Winterton has some wonderful and valuable groups who help older people, young families, people who are ill, carers and so on. Several of these have plans for expansion of their services, but they need more volunteers to cope with the level of work.

Joining one of these groups as a volunteer has a lot of advantages. If you're looking for work you can try out jobs to find out what suits you, and the experience of volunteering is a great advantage on your CV; if you have a lot of time on your hands it gives you an opportunity to meet new people, learn new things and generally feel needed; if you are retired it helps to keep you on a regular timetable – even gives you a reason to get started in the mornings.

As a development worker, who meets many of the people in these groups regularly, I can tell you that they are lovely people who are a delight to work with, and they have a wide variety of things you can help with.

For instance, Out 'n About in Winterton needs volunteers to help with delivery, and they may be able to use a reporter or two, if you want to try your hand at that. Winterton Disabled Club needs able-bodied people to help on assisted shopping trips to push wheelchairs, make tea and coffee, etc. You might get the chance to organise an event or a day out too. They have loads of fun, and if you like a laugh, then this is for you!

Winterton 2022 needs people to help achieve their various aims (decided upon by research in the community a few years ago, and shown with capital letters and italics here). People who want to make Winterton more Sustainable, Clean & Green, who are interested in helping the town to become a Learning Community, who are involved in or would like to be involved with Prosperous Businesses; who want to help others to become more Active & Healthy; or who want to make the community more Cohesive in any way should contact get in touch.

So if your hobby is gardening, if you're good at planning or carrying out plans, if you like cleaning or cooking, if you just like to be helpful in any way at all, do get in touch, either through this magazine or by calling me, Carol Thornton, on 01724 845155.

New technology gets under the skin

Mapping veins is the purpose of new technology donated to the oncology and haematology ward at Scunthorpe hospital.

The piece of equipment - the first of its kind for ward 18 – worth £3,400 uses a non-invasive infrared light to make even the hardest to find veins easy to see.

This is particularly crucial for people undergoing treatment for cancer as veins can become less visible.

Julieann Woollas, ward manager, said: “Trying to put a cannula in a patient who is undergoing chemotherapy can sometimes be very stressful for them. Their veins become a lot harder to access so trying to search for one can be painful and upsetting.

“This new hand-held device which also came with a stand allows us to scan over the skin while the light maps exactly where the veins are. It makes it much easier to cannulate first time rather than having to have multiple goes.”

The equipment was purchased after a joint donation of £3,000 from four Lions Clubs in North Lincolnshire; Scunthorpe, Barton, Isle of Axholme and Winterton.

■ *A non-invasive infrared light can now be used to make veins easier to find.*

Don Johnson, president of Winterton Lions, said: “A member of my club is being treated on ward 18 for cancer so we wanted to support her and the department the best we could.

“I spoke to the ward and asked them if there was anything in particular they would like us to buy. Julieann told us about this machine and that is when I decided to approach the other clubs in the area. Lions fundraise throughout the year and donate to various causes.

“Seeing the machine and what it does is amazing. We all know someone who has been through cancer and the devastating affects it can have. To be able to help in this way is a great feeling for us all.”

Julieann said: “We are very grateful to the Lions for their donation. The machine is proving to be a success on the ward.”

■ *Members of four Lions Clubs in North Lincolnshire came together to see new equipment they helped to buy on ward 18. Julieann Woollas, ward manager, centre.*

THE BUTCHERS ARMS

Paul and Lesley would like to welcome customers old and new to the Butchers Arms and we welcome you to join us over the Winterton Show weekend. As a cask mark accredited pub, we rotate our real ales regular. We are sponsoring the 10 Mile Race at Winterton Agricultural Show.

Live bands Saturday / Sunday supported with individual acts in beer garden. Great selection of real ales and lagers.

Wide range of BBQ food. Bouncy Castle, Face Painting. Come and join us for a great show weekend!

Winterton C of E Infants School

Winterton C of E Infants' School would like to thank Winterton 2022 for their kind donation of some planters which have been installed in our garden. The provision has widened the opportunities for the children to learn about the environment around them and will give the chance for them to learn growing and nurturing skills.

Our Gardening Club, which is one of our extra curricular activities available to our pupils, have been enjoying time in the newly enhanced garden learning lots of exciting new skills.

Continuing with our outdoor update we have also welcomed the addition of a Friendship Bench to our playground, creating a meeting point for our pupils who are looking for someone to play with.

FITTING PARTNER FOR BLACK CIRCLES

Winterton 2022 update

Winterton 2022 Mobile office

Winterton 2022 is a resident led programme with £1m of Big Lottery funding for Winterton. Look out for our new mobile office over the summer. This is available free for any community group, club or non-profit making or public sector organisation to promote their work in Winterton or do activities with the community, as long as these support our aims. We already have arrangements in place with the Credit Union and Voluntary Action North Lincolnshire.

Street Party – Bank Holiday Monday 25th May 2015: 12 to 6pm in Churchside, Market Street and High Street.

Winterton 2022 will be sponsoring the 2015 Street Party and working with other organisations in the town to make this year bigger and better than the ones we've had in previous years. Book the date in your diary now!

This exciting day out will include Segways, Laser Tag, Rocket Ball, a programme of stage entertainment, stalls from local groups and businesses, street entertainment, music, food and a whole lot more.

Please get in touch with our Coordinator Chris Ellerby on 01724 845155 (winterton2022@gmail.com) if you'd like to help on the day.

We will be consulting about the future of the Chip-Shop Wall Mural at the event. Come along and answer one simple question at the Winterton 2022 stand, and get a free £1.50 voucher to spend at the ice cream van.

There is also the opportunity to feedback online through our website www.winterton2022.org.uk up to mid June.

Funding for minibus approved by Big Local

We have funding of at least £30,000 ready and waiting for the Town Council to purchase a disabled friendly minibus, and we look forward to working on this joint initiative.

Winterton Agricultural Society

We have also approved funding of up to £40,000 to help the Winterton Agricultural Society with a two phase scheme to provide a power supply, and provide better access. This will allow more community events to take place on this superb site.

Buy Local, Buy Winterton

Look out for our campaign posters and window stickers around the town - we now have a list of Winterton based

business on our special website www.buywinterton.co.uk. Let us know if you have a new business to add to our site.

4 Apprentices for Winterton

Crosby Employment Bureau are handling the appointment of 4 apprentices in Winterton based companies, with funding help from Winterton 2022 – they've started approaching local employers, and we look forward to seeing the first apprentice in post.

Watch this space!

We've been busy getting ready for the street party that we've been doing with other organisations in the town – a big thanks to all who have helped.

But there's a lot more in the pipeline – more community art, looking at possible allotments in small underused areas, increasing our small grants scheme, and doing more work with the Credit Union. We will also be working to improve and promote cycleways and footpaths in and around the town.

And there are lots more opportunities to develop – if you'd like to get involved, contact our Coordinator Chris Ellerby on 01724 845155 (winterton2022@gmail.com)

**Mason Baggott
& Garton
SOLICITORS**

STILL HERE AFTER ALL THESE YEARS!

As many readers will be aware it is now several months since the sad passing of Sir John Mason who resided in Winterton for over 40 years where he brought up his three children with his wife Margaret.

Two of their children worked alongside Sir John in the family law firm and still remain today as Partners with Sarah Regan.

Emma Jane Johns still lives in Winterton where she is now bringing up her family and Richard Mason lives in Brigg. They are all very proud to be Partners of a long established Practice who still care about providing a good quality family friendly service to all of its clients.

Richard is head of the Commercial Property Department, Emma heads the Probate and Private Client Department and Sarah heads the Family Department.

The practice is still very busy with their ever growing Residential Property Department and their Personal Injury/ Dispute Resolution work.

If Richard and Emma can help with anything, please feel free to talk to them if you see them in Winterton or call them on 01724 868611.

Methodist movement

Winterton's Methodist Minister Rev Ian Coates is moving in August to take a new appointment where he will be responsible for four Methodist Chapels in Stoke on Trent. Ian has become well known here, and is especially popular in the primary schools in and around Winterton.

Ian's farewell service is on 2nd August at 3pm at Trinity Methodist ... everyone is welcome.

His successor is Rev Helen Croft .. more details of Helen in the next Out 'n About magazine.

Just before Ian leaves, Mike Joyce will be appointed Local Church Pastor for Trinity Winterton and Roxby Methodist Chapels. Mike's will be a lay voluntary post. His commissioning service is on 21st June at 6pm at Trinity and, again, all are welcome.

Mike will barely have got started in his new role when, in July, he will be going to Nicaragua with the Peace & Hope Trust, a Christian Charity working there. He will be Chaplain to a team of people who will go out for three weeks to help with projects in the second poorest country in the Americas. Mike last went to Nicaragua in 1998. 'There are many challenges', he says, 'but I'm looking forward to them. There is so much need and the Trust do a fantastic job.' Look up the Trust's work at peaceandhope.org.uk.

Town End, Winterton, North Lincolnshire, DN15 9UG

Leukaemia & Lymphoma - Winterton & District branch

We have had a busy start to the year raising funds and awareness for Leukaemia and Lymphoma Research, having already raised over £7,000 in 2015. Thank you to everyone that continues to support our work – we couldn't do it without you!

In March we held our first big event of the year when we saw the return of our annual Little Talent Contest which showcases the talents of pupils from Winterton Junior School and Burton Primary School. The Grand Final took place at Winterton Community Academy on 31st March with Pollyanna Patterson of Burton Primary School being crowned as this year's winner. The Little Talent Contest raised over £800 with Burton Primary School raising £120 at their Semi-Final.

We've also had a busy few months at community events with stands at the Family Fun Day at Winterton Community Pavilion, and the Winterton Disabled Club Charity Fair at the Methodist Chapel. As well as holding various collections at the Parishes Scunthorpe, Wickes Doncaster, and Tesco Extra Scunthorpe. Hannah our Branch Secretary also headed off to Lindsey Oil Refinery to collect a very generous donation of £3,800 with Jo and Stuart Neal.

Over the coming months we look forward to being involved with more community events including the Winterton Street Party on 25th May where we will have a stand and share the event raffle with the Winterton Lions. As well as this we will have stands at Appleby Fayre, Winterton Show and Broughton Show. With a busy summer of stands ahead we are on the hunt for any unwanted items including books and puzzles to sell on our stands, as well as items suitable for our tombola. If you have anyway unwanted bits please get in touch.

We are also very excited to launch our Skydive to Beat Blood Cancer partnership with Skydive Hibaldstow on 25th July when we will be holding 'Skydive to Beat Blood Cancer Day'. We are offering

the chance to skydive from 15,000ft at a reduced price of £200, and if a minimum of £400 sponsorship is collected we will reimburse the jump cost – this is a permanent partnership with Skydive Hibaldstow so thrill seekers can jump with us anytime. More information can be found on our website and Facebook page.

At the time of writing the Big Copper Count-Up is about to Leave John Leggott College Scunthorpe having been at the Sixth Form College since January and will move to Burton Primary School week commencing 18th May.

As ever we would like to thank everyone that continues to support our branch. If you would like to get involved with our branch by holding a fundraising event or attending our events please visit our website to find out more and keep up to date with our latest news on beatbloodcancers.wix.com/winterton, or email us on llrwintertonanddistrictbranch@yahoo.co.uk. Please don't forget to like us on Facebook by visiting www.facebook.com/wintertonanddistrictbranch and we now have twitter so please search for @wintdistrictllr to keep up to date with all our work!

Policing

We have not received a police report to include in this issue. However it has come to our attention that vandalism is on the increase in our community.

Gate at Simon's Wood

On a recent ramble around the town, our Editor spotted the damaged gate and contacted The Woodland Trust, the owners of Simon's Wood.

At the time of going to press, the response from Site Manager, Mark Feather, is that "a new gate post has been ordered and hopefully the contractor will have the gate repaired in the next few days."

More vandalism

Last year, Stuart Maw and Ryan Mather constructed and spent 48 hours in the replica WW1 trench at the community pavilion. See the pictures opposite.

Winterton Medical Practice

The Care Quality Commission

The Care Quality Commission (CQC) recently completed an inspection visit at the Practice. Their findings rated the Practice as;

“GOOD – WITH ONE OUTSTANDING AREA FOR THE CARE PROVIDED TO ELDERLY PATIENTS”

PATIENT GROUPS

Older People.....	Outstanding
People with long term conditions	Good
Families, children and young people	Good
Working age people	Good
People whose circumstances may make them vulnerable	Good
People experiencing poor mental health (including dementia)	Good

ARE SERVICES

Safe?.....	Good
Effective?	Good
Caring?	Good
Responsive?	Good
Well led?	Good

Full details of the report can be viewed via the website: www.wintertonmedicalpractice.nhs.uk.

The Practice thanks all patients who provided their feedback ahead of the inspection.

Debit Card Payments

Following patient feedback, the Practice is pleased to advise patients that it will shortly be accepting payment by debit card for prescriptions and private services. Further patient information will be available from Reception and Dispensary shortly.

Patient Participation Group

The Practice's Patient Participation Group (PPG) will be taking part in the National PPG Awareness week which runs from the 1 - 6 June. Various activities will be taking place during the week and more details will be available directly from the Practice.

SystemOnline – A new service

Patients will now be able to access their summary care health records on SystemOnline. It will display data relating to medications, allergies and adverse reactions. Any new patients signing up to systmonline will automatically gain access to their summary health care records.

Any patients currently registered will not automatically have access but the practice is currently allowing access for these patients. If you have not yet been given access you can make a request to the practice. Once access is granted you will receive an email or SMS from systmonline stating that you have been registered as a user of systmonline.

The Friends & Family Test

The friends and family test (FFT) was launched in GP practices in December last year. The Practice looks forward to receiving patient feedback through this mechanism to assist in shaping future care provision. Patients are asked to provide feedback at every interaction with the surgery, and all it takes to give feedback is 3 ticks!

Under the national FFT, patients are asked a standard question: “How likely are you to recommend our service to friends and family if they needed similar care or treatment?”

Patients can give FFT feedback by completing a form available from the Surgery at Reception, Dispensary and in the waiting room.

There is also a feedback page on our website; www.wintertonmedicalpractice.nhs.uk/feedback.php or you can complete a form via Systmonline.

The results of the feedback will be made available on the website and on noticeboards within the Practice on a monthly basis. We will also publish the results in our newsletter. See below our most recent feedback results for March 2015 –

97.56% of patients were extremely likely or likely to recommend Winterton Surgery to friends and family

100% of patients were extremely likely or likely to recommend Burton Surgery to friends and family.

Please visit our website at www.wintertonmedicalpractice.nhs.uk for more information about the Practice and the services we provide.

Summer 2015

Email: clerk@wintertoncouncil.co.uk

www.wintertoncouncil.co.uk

A New Term Begins

Winterton Town Councillors for 2015-19

Following on from the recent elections we now have 12 Town Councillors serving on the Council for a 4 year term until 2019. They are:

Top Row: Bob Bridge, Vicky Mumby, Jeff Ramseyer
2nd Row: Don Johnson, Lesley Langton, Mick Foster
3rd Row: Marilynne Harrison, Paul McCartan, Francesca Marritt
4th Row: Linda Cawsey, Paul Mumby, Ian Cawsey

There are 6 vacancies which will be filled in the next few weeks.

Could It Be You?

As mentioned in the adjacent article the Town Council has begun a new 4 year term. However, we have 6 vacancies currently available for local residents to apply for.

So if you want to find out more about being a councillor or maybe you just want to know if there are others ways to be involved (such as the In Bloom project) then get in touch for a chat. We'd love to hear from you.

If you are interested please call the Town Clerk, Lisa Newstead on 01724-488085

Polling Stations

In our last newsletter we had to report the decision of North Lincolnshire Council to reduce the number of polling stations in Winterton from 3 to 1.

We are aware that this decision did cause a degree of confusion and on election day at times the Old School Hall was crowded with long queues. Indeed some residents even gave up and went home!

The Town Council will report these difficulties to North Lincolnshire Council and hope that lessons will be learned.

The Bus to Brigg

We are pleased to announce that we will be continuing to run the Thursday Market Day Bus to Brigg over the Whit Half Term and Summer Holidays.

The bus will run on

Thursday 28th May 2015

And every Thursday from 23rd July to 27th August inclusive

The Bus will pick up on West Street (near the telephone box) at 10.20am, then De Lacy Way, Earlsgate (opposite the Fire Station) & King Street (outside Tesco).

The Bus drops off in Brigg at the Ancholme Leisure Centre, the Market Place & the Brigg Garden Centre with the return bus leaving Brigg Garden Centre at 2.15

£2 per adult, £1 per child

Elections 2015

Following the Elections held on May 7th as well as our Town Councillors our other representatives will be Andrew Percy MP in parliament and on North Lincolnshire Council, Cllrs Elaine Marper, Helen Rowson and Ralph Ogg.

We congratulate them on their election and offer commiserations for other Winterton candidates John Kemp, Francesca Marritt, Paul McCartan and Vicky Mumby. It was good to see democracy alive and well in the town and we look forward to all the candidates continuing to play a role in our community.

Town Council Meetings

**19th May 2015 (AGM)
16th June 2015
21st July 2015**

Usually at 7:30pm in the Old School Hall, though the AGM is at 8:15pm. These meetings are open to the public. Local residents can speak but need to arrange this in advance with the Mayor or Town Clerk. Committee meetings are also held and are advertised on the Council's Notice Boards.

Did You Know?

That the turnout in our Burton and Winterton Ward at the recent election was 66.6%. Well they say the devil is in the detail!

Winterton Town Councillors

Bob Bridge	01724 733038
Ian Cawsey	01724 734870
Linda Cawsey	01724 734870
Mick Foster	01724 735223
Marilynne Harrison	01724 733358
Don Johnson	01724 732698
Lesley Langton	01724 733216
Francesca Marritt	01724 733594
Paul McCartan	07796 170712
Paul Mumby	01724 735464
Vicki Mumby	01724 735464
Jeff Ramseyer	07927 968239
Town Clerk	01724 488085

There are currently six vacancies on the Council. Please call the Clerk if you are interested in serving on the Town Council.

Farewell, Thanks & Hello!

Inevitably the end of one term of office leads to some people standing down having served the community in the preceding period.

In our last edition we said farewell to former Cllrs John Robinson and Nicky Hutson. Now we add to that list Mike Joyce, John Kemp and Russell Walshaw who have all stood down after serving the Town Council with distinction over recent years. We are grateful for their commitment to Winterton and wish them all well for the future.

And it's hello to Richard Ellis who has joined the staff at the Town Council as the Assistant Clerk. Richard was previously a highways officer at North Lincolnshire Council and brings us great experience on traffic and highways issues as well as project management skills. We wish him well in his new post.

Street Party

We will be at the Winterton 2022 Street Party in the Market Place on Bank Holiday Monday 25th May, hope you will be too!

Come and say hello - we are giving away free seeds! So if you fancy having a go at growing some of your own fruit and vegetables let us give you some seeds to start you off!

Winterton Street Party 2013 - Dans Satam Dancers

Winterton In Bloom Update

Winterton In Bloom goes from strength to strength but we could still do with more local volunteers. Remember the more who help, the more of the town we can work in.

Did you know that we've now put up 28 bird boxes around Winterton? Can you spot where they are? Please let us know if you see any birds nesting in them.

Thanks again to all the local businesses who are sponsoring In Bloom. We've had another 7 come forward and we are looking for new areas of the town that would benefit from a splash of colour from new planting. If you have an idea for somewhere that would benefit from this then please let us know on 01724-488085.

Thanks to Winterton Academy who are going to plant their school badge in flowers as part of In Bloom - we look forward to seeing it!

Any other new innovative ideas let us know - Winterton's blooming great!

Remembering real happiness

MEMORIES: AN ODE TO DAYS GONE BY

We met, we married a long time ago.

We worked for long hours when wages were low.

No telly, no radio, no bath, times were hard.

Just a cold water tap and a walk up the yard.

No trips abroad, no carpets on floors.

We had coal on the fire, and never locked the doors.

Our children arrived – no pills in those days.

But we brought them up without state aids.

No valium, no drugs, no LSD.

We cured our pains with a nice cup of tea.

If you were sick, you were treated at once.

No to fill in a form and “Come back next month”.

No vandals, no savings, we had nowt to rob.

In fact we were rich with a couple of bob.

People were happier in those far off days,

Kinder, more caring in so many ways.

Milkmen and paper boys would whistle and sing,

And a night at the flicks was a wonderful thing.

We had our troubles, we had our strife,

But we just had to face them – that was life

When I'm alone, I look back through the years,

Don't think of the bad times, the trouble and tears.

I remember the blessings, our home, kids and love.

We shared together, and I thank God above.

Did you know?

War memorials criteria

Different criteria for inclusion were used by different communities and so who is commemorated, which conflicts are commemorated and the style in which these details appear varies from memorial to memorial. This is why some war memorials only include those who fought and died, whilst other also include those who fought and survived, and why some include civilian as well as service casualties. (Source: War Memorials Trust)

The criteria for inclusion on a war memorial was set by the memorial committee and the reasons why men were included or excluded is now lost with their records. A man could be included on a memorial because he was born, resident, attended school or worked there or that his next-of-kin lived there. (Source: www.roll-of-honour.com/)

Winterton and District Lions

We have recently held a fashion show at the Pavilion by Lincs Fashion to raise funds for McMillan Nurses. It was a very successful event raising £800 for the cause. It was very well supported and we wish to thank everyone that turned out and we will keep you all posted for the next fashion show event.

The picture is of Winterton and District Lions President Don Johnson trying to decide which colour suits him best.

Since our last newsletter we have recruited a few new members and would like to welcome Lion Glyn Morgan, Lion Amanda Stockdale and our newest member Lion Carol Hewitt. We wish them every success as active Lions and I'm sure you will meet them at our many events we have planned for 2015. We are also a very social club so its not all work and no play. We meet for meals in local pubs, go walking, cycling trips, theatre trips, weekends away, bowling, clay pigeon shooting and many other trips.

One of our members has a daughter in Canada and is a frequent visitor over there. He has written the following about his experience of Lions Clubs over in Canada.

Let's start with a good quiz question. How is it possible to drive from Grimsby to Lincoln in 5 minutes? And the answer is: go to Canada!

On the shores of Lake Ontario you can find the town of Grimsby. A pleasant place with a population of around 22 000. There is no fishing industry there, they have no decent football team (just like back home, eh?), but there is an excellent fish and chip shop/restaurant.

About 5miles along the motorway is the town of Lincoln, hence the answer to the above question.

“What has all this to do with the Lions?” I hear you say. Well, my wife and I are members of Winterton and District Lions and our daughter lives in Grimsby along

Annie's Book-keeping, Accounts and Tax Agent Service

Are you self employed / running a small business and need help to get your books up to date and maintain them?

Does the tax office want those returns completed? Maybe you need help to complete Tax Credit Forms or any other forms.

I can help. No job too large or small.

Telephone or Text 07849 158126
Email: anneofcars@btinternet.com

You're under no obligation, but I would be happy to help

with her husband and two granddaughters. So we travel there as often as we can to see them.

The more you travel to an area the more you get to know it. We have come across Grimsby and Lincoln Lions at various local events. So we made ourselves known and we swapped club banners.

As you travel around the area you begin to notice several familiar place names. For example, there is Louth, Glanford, Wainfleet, Gainsborough, Pelham, River Welland, Humberstone, Stamford and Gainsborough as well as Grimsby and Lincoln. Our son-in-law was born in Binbrook and when married to our daughter lived in Caistor!

This made us think that this area was settled by our plucky, Yellow Belly forefathers who moved to Canada, survived their first harsh Winter and prospered. Sadly, this is not the case. The reason for so many Lincolnshire names is a pen pushing exercise. The pen-pusher-in-chief was a General Simcoe who was given the job of naming these settlements that were springing up. To make life easy, I suppose, he took out a map of Lincolnshire and set to work!

However, it is a great place to visit. The area lies between the bustling, modern city of Toronto and one of the world's top tourist attraction – Niagara Falls.

Southern Ontario is known for its wine and fruit. There are lots of wineries where you can visit for a taster. Each winery has a restaurant, though a bit pricey, the meals are excellent.

So, if you are a bit stuck where to go next, you could try Southern Ontario. Six night trips are very popular with three nights in Toronto and three at Niagara Falls. One big advantage is there is no language barrier although they will insist on calling football “soccer”!

If you know anyone locally that would benefit from our help please contact us on 0845 833 7515.

All Saints' Church news

Please Vote for All Saints Winterton now!

Our project to build the kitchen/toilet extension at All Saints, Winterton, has been put forward for a grant of £10,000 from the The Aviva Community Fund.

We now need as many on-line votes as possible before May 30th, 2015. If we get enough, our project will be put forward to a panel of judges who will make the final selection. Please spread the word around to all your friends who reside in the UK.

Details you need to know

1. Who can vote? Anyone who resides in the UK and registers on the Aviva Community Fund website can vote for projects between May 1st and 30th 2015.
2. How to vote? You need to register on the Aviva Community Fund website. Click on this link or copy and paste this link in your web browser <https://community-fund.aviva.co.uk/cms/>
- Do please follow the instructions for registration especially about the type of password to choose. You will get an e-mail to confirm your registration. Click on the link in the e-mail. You should then be able to log in to the site and vote.
3. Once you have registered you have 10 votes. Please use all of them for our Winterton project.
4. Use the Search button to find our project 'All Saints Forward' which has a photo of Winterton and is listed as 'Winterton Parochial Church Council [All Saints' Church, Winterton]'.
5. Click on the 'Vote' button and please give us all your 10 votes.

Many thanks in anticipation of your help. We are confident at All Saints that we will get the cash needed for this extension, we just don't know when. You can help us now by voting and getting your UK friends to vote as well!

Dale Park Junior football

Dale Park Junior Football Club recently played host to a holiday Soccer afternoon thanks to its progression through the FA Charter Standard programme. Currently a Charter Standard Club, Dale Park is progressing towards Community Club status. This status reaffirms our commitment to enabling football opportunities for all children from 4-16 and beyond. Dale Park provides a training team for children aged between 4 and 6 and competition and league opportunities for older teams. Our teams are mixed and we also have a Girl's Training Team which takes part in FA provided equal opportunities football. We are also proud that every child, no matter what their ability, can find a place to play and enjoy football at Dale Park.

We are excited to be hosting our annual Summer Soccer School in August - please see the poster opposite for details. No experience necessary and all welcome!

We would love to hear from any young person who would like to try football in an inclusive

environment. For more information please contact Tim Hunt, Acting Vice Chair, on tim@77marketing.com.

10am to 4pm - £10 per day or £15 for 2 days
Winterton Community Pavilion, Newport Drive, Winterton.
Children aged from 6 to 13 yrs welcome!

Dale Park Junior Football Club will be holding their Summer Soccer School again this year on 13th & 14th August 2015. The morning will comprise of football coaching on topics like passing, dribbling, control, heading and shooting.

During the morning we will stop for regular drink breaks and have a 45 minute rest for lunch where your child will tuck into a much needed packed lunch! Pack-ups should accompany your child on both days.

In the afternoon the children will be split into teams and compete in a World Cup style round robin tournament and each child will receive a signed certificate on successful completion of the day!

What to bring: sun cream, hat, packed lunch, drinks, shin pads & football boots or trainers.

The day starts at 10am and you will have the choice of paying £10 for 1 day or £15 for both the Thursday and Friday courses. Coaches are all FA certified, with respective CRB/Safeguarding and First Aid training. If you are interested please email Stuart Allen to pre-register your interest - stuallen1@live.co.uk

Smith and Walker Optometrists Ltd.

It's a digital life!

With an estimated 35 million smartphones in the UK and over 34% of us spending 4-6 hours a day using digital devices of some kind we are all adapting to a digital lifestyle. As the use of devices increases though we are seeing an increased number of patients in our practices struggling with symptoms like red/irritated/dry/ fatigued eyes; blurred vision; headaches; flickering in the vision; back, neck and shoulder pain, and even disrupted sleep patterns.

One cause of symptoms is believed to be the blue light being emitted from the screen display of digital devices. Blue light is found naturally in daylight and is a factor in helping us stay awake but excessive amounts can have

an adverse effect. Anti-reflective spectacle lens coatings containing Blue Control prevents blue light from passing through the lens by increasing the reflection of blue light. The beneficial effects of these coatings are:

- reduction of eye strain and fatigue by neutralising blue light
- more comfortable and relaxed vision by the reduction of glare and ghost effects
- better contrast perception offering a more natural colour experience

Our team of eye care professionals at Smith and Walker Optometrists can advise you on the best lenses and coatings with Blue Control to help you combat eyestrain problems and maintain the best possible ocular health now and into the future.

The Poirier Foundation

The Poirier Foundation was founded as a registered charity last year. A group of Winterton volunteers listened to the response from residents for better care provision and enhanced provision in the town.

In March, Lunch and Linger started - volunteers led by Lisa Nicholls in the kitchen provide a two course hot lunch and companionship as well as activities. Gentle Yoga by Sally takes place in the morning, Lunch and Linger from 11-2 and Kurling in the afternoon. A range of activities are available and have included memory making, flower arranging talks, and many more exciting activities are planned including therapy and pamper sessions. Older residents are all welcome at a cost of £4 per lunch (which need to be booked in advance) and can join in as much or as little of the day as they would like.

Transport can be provided, and Lunch and Linger takes place every fortnight, with the Chapel Luncheon Club taking place in the weeks in between so that there is an opportunity for a hot meal and companionship every week in Winterton.

The Poirier Foundation are looking forward and

exploring other options for delivering new and creative care packages in Winterton. Mike Joyce, recently re-elected as Chair of Trustees comments 'Exciting times are ahead. We have a motivated team with creative ideas who are passionate about offering flexible care options for residents who need a little extra support. As a registered Charity we are able to do so in partnership with volunteers and without the overheads of paying shareholders. We hope this will lead to new and innovative ways of working.'

Francesca Marritt, recently elected as Vice Chair of The Poirier Foundation adds, "*Starting Lunch and Linger has offered*

many residents a great day, at little or no cost.

Working with volunteers but adhering to best practice regarding

food preparation and safeguarding, we are

developing skills locally

and offering a really competitive service. We hope to build on this over coming months to offer more services and opportunities for those needing a little more support in the community."

For more information or to book lunch please contact Nicki on 733441 or Francesca on 07870 171708.

The Winterton Care Campaign Group has had a busy schedule in the last three months. Distribution of donated items to

the most vulnerable residents on our snow clearing list has been completed and we have received grateful messages from many. We have also noticed an increase in calls for assistance from people who are in need of urgent information when having problems with house emergencies.

We had a request from Appleby Parish Council for a presentation of our Winter Support scheme and how it could be replicated elsewhere.

Many thanks to the residents who donated prizes for our tombola stall at the Charity Fair in April. We raised £62.60 and have still some prizes to have another one at Make a Difference Day in October, although any further donations would be welcomed! Prizes can be left at Mike Joyce Insurance, King Street.

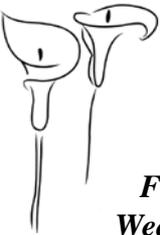

A massive thank you must go to The George Hogg customers who donated £83.84 in our collection box. This is very much appreciated.

We organised a hustings in April to give residents an opportunity to meet Parliamentary candidates, ask questions and listen to their views. The hustings was attended by some 50 people, a very good attendance considering that the event was held in the afternoon.

Due to the great interest and the number of topics, the event over ran by half an hour. We have received numerous complimentary remarks from members of the public, candidates and the event's chair on how well organised the hustings was. Having heard reports on other hustings held in the area, it seems that ours was very civilised!

In the last Out 'n About issue, we reported how much efforts Stuart Maw and Ryan Mather had put in constructing and spending 48 hours in a WW1 replica trench. The exercise had raised a great amount of money for this community and had been used by the junior school to show pupils the conditions WW1

soldiers had to endure. What a shame that Stuart and Ryan's hard work has now come to nothing when the trench has been completely trashed by young people during the Easter school holidays. There were plans to improve and extend the trench to be a focal point for extra activities and put Winterton on the map for the right reasons.

Stuart will be giving more of his time to the Winterton community shortly with a sponsored litter picking which will also benefit our campaign group Winter Support scheme and the 2nd Winterton Brownies.

We are planning to improve our Winter Support Scheme for next winter and are now working in partnership with Winterton Town Council. Of course, we would welcome extra helping hands for snow clearing and other support duties. We need to thank John Kemp for his participation last winter and as he is no longer on our Winter Support Team, wish him well for the future.

Many thanks to Phil Cousins for £100 donation towards high vis vests. The amount was raised by the Friday Night Football.

Don't get conned!

Fraud and internet crime costs our economy an estimated £73 billion every year.

Be vigilant on the internet and watch out for:

- phishing emails with links to fake websites tricking people into entering personal details or account information
- criminals that attack your computer with a virus or spyware and try to steal personal information such as user names and passwords
- online auction scams where the seller asks you to pay by money transfer or direct to their bank account

How do you report Fraud and Internet Crime?

You can report it to Action Fraud either online or on the phone.

Winterton Community Pavilion

Winterton Community Pavilion is a beautiful purpose built community building run by a registered charity and volunteers for the community set in playing fields. It can be hired for any purpose and has been used in recent weeks for classes, professional training days, family fun days, rallies, sports clubs and private family parties!

It is versatile, flexible and includes a fully equipped kitchen and first aid room, and has flexible staging and lighting to suit all needs.

Current regular activities include Bingo, Football, dance events, fitness clubs and details of each week's activity can be found on our facebook page facebook/WintertonCommunityPavilion.

To book the Pavilion or just have a look round please contact the Bookings Officer on bookings@wintertonpavilion.org.uk or 07538 855560.

Toddlers group

Toddlers at the Winterton Community Pavilion started in March and is going from strength to strength. Run by local mums Jenny, Vicky and Lisa they offer fun for pre-schoolers, refreshments - both healthy snacks and tasty bacon butties - and opportunities to meet other carers and pre-schoolers.

Started with a grant from Winterton 2022, the group has been overwhelmed with support and donations of equipment and toys. They now boast mats, ball pool, craft and reading materials, activity toys and fantastic soft play equipment. Breast feeding support is also available from a qualified Breast Feeding Counsellor and a partnership is being developed with Family Services and other agencies to support parents locally.

For more information please contact Vicky Doubtfire on 07965 581144 or Lisa Nicholls on 07789 655148.

Toddlers meet every Tuesday in term time at Winterton Community Pavilion, Newport Drive from 11am to 1pm. Looking forward to seeing you there!

Winterton Disabled Club

Our Charity Fair was well attended and we are most grateful to Trinity Methodist Church for allowing us to “invade” the Chapel itself to accommodate all the stalls. Many people commented on how much better it was to serve refreshments in the Chapel, making the afternoon more relaxed and enjoyable.

Shortly, we will celebrate the Club’s 24th Birthday. However, it is increasingly difficult to maintain the level of services we provide due to a lack of volunteers to assist on shopping trips and outings. Our current volunteers have been with us for years but unfortunately their age and state of health are reducing the tasks they can undertake for us. We can offer training and expenses are paid. Volunteers are very much part of the Club and can join in all our social activities. Contact us on 733441.

We have had an increase in membership in the last year as local authority day centres closed leaving people isolated and lonely. Many have been referred to us by the NHS and are enjoying our activities and companionship. Despite rumours which have been circulating, our New Age Kurling and Boccia sessions are still held every Wednesday at Winterton Community Pavilion from 2pm to 4pm. Come

and join us, you might just get hooked on these competitive games!

Another area of concern for us is still the availability of accessible transport. After seeing the report in the last OAAIW that Winterton Town Council and Winterton 2022 were to enter into a partnership for getting a community minibus, many residents are under the impression that a bus is now available and they keep asking us if we are pleased with it! We can definitely confirm that “No, there is no bus, yet”. We are as eager as them to see a vehicle available. Along with other groups, we can’t afford any more delays as the lack of suitable transport is impacting enormously on community activities, which is a great shame especially for groups newly starting and trying to get established.

Finally, we do send our sincere condolences to Mary Jackson’s family. Mary passed away recently and was a former member of our Club, spending over 10 years there and taking a leading role in Club activities. Whenever Mary was involved FUN was on the menu and to us she will always remain “The Oldest Swinger in Town”. RIP Mary.
